32 In continuation of Mr. M.N. For the present, provision has been made for a sum of Rs.1,00,000/- only on this account in the draft budget of 1931-32. As regards the balance of Rs.50,000/-, the financial position will be examined about January or February next and an attempt will be made to see if the amount can be met by a re-appropriation of sanctioned grants. If that be not possible, an additional grant will be asked for.

2. 33 The acquisition of the lands required for the new site is being pushed through expeditiously and it is expected that the lands would be handed over to the Military authorities by 20th June 1931.

SHIFTING OF THE HEBBAL RIFLE RANGES TO ANOTHER SITE AT IBALUR.

Sir,

I am directed to refer to paragraph 2 of your letter No.Pol.698/P.P. 90-27, dated the 12th January, 1931, and to forward a copy of a letter No.12508/24/Q., dated the 20th February, 1931, from Headquarters, Madras District, Bangalore, enquiring whether it is now possible to hand over the whole of the area required for the new Rifle Range at Ibalur.

I am to express the Hon'ble the Resident's hope that the Government of Mysore will be able to hand over the land before the visit of the General Officer Commanding-in-Chief, Southern Command, and to ask you kindly to reply at a very early date in view of the imminence of the General Officer Commanding-in-Chief's visit.

I have the honour to be,

Letter No.12508/24/Q, dated the 20th February 1931, from ~~the~~ Headquarters, Madras District, Bangalore, to the Secretary to the Resident in Mysore, Bangalore.

Shifting of the Hebbal Rifle Ranges to another site at Ibalur.

In continuation of these Headquarters letter No.12508/4/Q, of the 27th December, 1930, and your reply thereto, No.318/70, A-1916, dated the 16th January 1931,

2. In the Government of Mysore's letter No. P.O.L.698/PP.90-27, dated the 12th January 1931, copy of which was forwarded under your No. quoted above, the Mysore Government stated that they would have no objection whatever to the immediate handing over of those areas of land at Ibalur where there is no cultivation. It has been reported that practically the whole of the area required for the new Rifle Range at Ibalur has been cleared of crops, and also I have therefore to ask whether this land could now be handed over.

Dear Col. Burke,

With reference to your D.O.letter No.1528 dated 2nd March 1931 regarding the question of handing over the Ibalur lands to the Military Authorities, I enclose herewith a copy of the official letter we are sending on the subject explaining the present position. I should have very much liked to hand over the lands before General Henneker's visit to Bangalore but find that this is possible only with regard to lands which are in the possession of Government, amounting to some 100 acres. The acquisition proceedings for the remaining lands are well in hand and we hope that within a few weeks, the formalities will be completed. You may kindly assure Genl. Henneker that we are equally anxious about the early completion of the scheme and will not allow any avoidable delay to occur in the matter.

Yours sincerely,

The Hon'ble Lieutenant Colonel

In continuation of the correspondence ending with this office letter No.C5-96/28-29 dated 23-4-1931 on the above subject I have the honour to enclose herewith for information, a copy of letter No.Camp 8/30-31 dated 24-4-1931 received from the Sub Division Officer, Bangalore, together with a copy of my note thereon and to state that the amount of compensation for acquiring 247 acres and 4 guntas of land will be Rs.55000/- including statutory allowance and there will be a saving of Rs.19000/- from the estimates originally made. The Sub Division Officer, Bangalore, has been instructed to make the awards at once and to take possession of the lands before the 10th of June 1931.

Note.

I have inspected the lands proposed to be acquired for the New Rifle Range at Agaram. They are situated in three different villages and total an extent of 434 acres. The actual extent in private holding for which compensation has to be paid is 247 acres and 4 guntas as follows:--

	Wet A. G.	Garden A. G.	Dry A. G.	Total. A. G.
Agara	23- 1	3-22	13- 2	39-25
Ibbalur	--	1-12	206- 2	207-14
Sinivagalu Amanikere	0- 5	--	--	0- 5
	23-6	4-34	219-4	247-4

The wet lands are situated under the Agara Major tank which has an assured supply of water. They are of good quality and sugarcane is largely grown under this tank. The compensation proposed to be paid for these lands in Agara varies from 400 to 900 rupees per acre. The rates proposed are fair. The rates proposed for garden lands in Agara vary from 400 to 500 rupees per acre. These also are fair. The minimum proposed for dry lands is 80 rupees per acre and the maximum Rs.250/- per acre.. These lands are low-lying and are of fair quality.

The lands of Ibbalur are of poorer quality. The average rate per acre of garden is Rs.160/- and the average rate for acre of dry is 126 rupees. These are fair rates.

The extent in Sinivagalu Amanikere is only 5 guntas.

On the basis of the proposals made by the Sub Division Officer now, the compensation will come to about Rs.55000/-. This will mean a saving of Rs.19000/- from the estimates originally made.

Letter ~~No~~.Camp.No.8/30-31 dated 24th April 1931, from the Assis~~ta~~tant Commissioner, Bangalore Sub Division, Bangalore, to the Deputy Commissioner, Bangalore District.

With reference to Government Proceedings No.3191-3ØP.P.90-27-59 dated 5/6th February 1931 sanctioning the acquisition of properties in Agara, Ibbalur and Sinivagalu Amanikere villages, Bangalore Taluk, required for shifting the Rifle Range from Hebbal to Ibbalur and ~~appoi~~ appointing me as Acquisition Officer for the purpose, I have the honour to state that I have inspected every survey number to be acquired for the purpose, recorded the statements of the owners of the land in question, ascertained the valuation of the property sold in the village during the last 15 years or more. I also conducted enquiries as regards the Valuation of the land in neighbouring villages with a view to find out the reasonable value that could be awarded for the acquisition of the properties now required and to see how far the prices of lands in Agara and Ibbalur villages have been inflated by the people on account of the need of acquiring the lands for Military purposes. A careful search was also made in the Sub Registrar's Office to ascertain the previous history of the lands and also of other lands in the neighbouring marginally noted villages which are of a similar character. The officers of the Survey Department who had also inspected these lands in connection with the measurement for the introduction of the Record of Rights were also consulted as regards the quality of the land in question. I have further taken into consideration the fact that the prices of the landed properties have considerably gone down on account of the depression in trade and tightness of money market.

1. Bellandur. 2.Amanibellandur, 3.Jalasandra, 4. Kenenagrahara, 5. Belur Nagasandra, 6. Rupena Agrahara, 7.Madivala, 8.Venleoji Row Khane, 9, Haralaleunte, 10.Ambli-pura.

2. The people of these villages have greatly enhanced their demand for compensation and value their property at abnormally high rates. In fact they demand Rs.300/- and above for an acre of dry land while, the price demanded for wet lands is anything above Rs.1500 and the bagayet land is valued by them at Rs.500/- and above an acre. Of course I am not bound to give them anything more than the price which I consider fair and equitable considering all circumstances of each case. I have therefore prepared a statement mentioning therein

P.T.O.

could be immediately taken possession of and handed over to the Military authorities, but I regret to say that this is not possible until the acquisition order is finally passed and this will be done in a day or two, after the receipt of the orders from you on this reference.

* P.S. The total amount of compensation to be paid comes ~~accordi~~ according to my valuation to about 50000 and to this statutory allowances in some cases will have to be added. The total figure will then come to about 55000/- and there will be a savings of about 19000.

Dear Mr.Madhava Rau,

In continuation of my d.o.letter C.No. 473 of the 14th instant, I am writing to say that Sir William Heneker saw me yesterday about the matter of the shifting of the Rifle Range, and said that he was being held up in the matter of taking over the land by reasons which he could not understand, and asked that representations might be made to the effect that the land should be handed over as early as possible.

I see from your letter of the 10th February last to the Secretary to the Hon'ble the Resident that the whole of the amount of Rs 74,000 connected with the acquisition of the land is to be paid for by the end of the current official year, that is within the next six weeks. I hope therefore that there will be no difficulty in meeting General

Heneker's wishes in the matter of enabling him to enter upon the land.

Case No.28 Acquisition case No.28 of 30-31.

Read notification No.3194-p-p.90-27-60 dated 6th February 1931 published in the last part of the Mysore Gazette on page 161-164 part 3rd dated 12th February 31 sanctioning the acquisition of certain lands for shifting of the Rifle Range from Hebbal to Ibbalur, Bangalore Taluk.

A W A R D.

This is a case of acquition of land measuring 8-9 dry of lands of No.10 in the village of IIbbalur of Begur Hobli Bangalore Taluk for Rifle Range

The land is at a small distance from the water spread of Bellandur tank but on account of its being on an elevated level water does not spread on it. The land is fairly well situated and the soil is good. The khate of the land is in the name of Muni Setti bin Mari Setti but Muniappa has purchased half portion of this land from the heirs of khatedar while the remaining portion he is stated to have inherited. The entire S.No. is now in his possession and enjoyment and he pays kandayam on it.

He has been examined and deposed to the effect that he has no objection to the measurements made under Section 8 of the Land Acquisition Regulation but wants compensation at 500/- an acre. This claim was fully investigated. From the registered sale deed No.3406 dated 30th June 1928 it is seen that he has purchased this land along with other properties viz S.No.18 wet of Agara measuring 13 guntas, one vacant site and house in Ibbalur, one house khaneshmari No.78 in Agara and one half of the survey number in question for Rs. 2000/-. I have inspected all these properties The wet land is on the line of direct supply of water from Agara tank and is quite near the bund. In fact the wet lands acquired are inferior to this wet land since they are at a little distance and are not so conveniently situated. The valuation for this wet land at 1000/- comes to 325/-, the house at Agara has been valued by the Village Panchayet at 800/-, the site and house at Ibbalur is 100/-.

The party cannot demand more money than what he has paid about two years ago for the land. In fact at the present time land value has gone down. Even ignoring this fact and allowing a small margin for the valuation of other properties I think that a lump sum of Rs.1300/- will fully meet the claim of the owner for this land and I accordingly order the payment of the award.

Statutory allowance at 15 % comes to 195/-

Total 1495/-. This amount will be paid to Muniappa alias Muga Reddy.

Case No. 8

Award in respect of 4 acres 4½ guntas of land in S.No. 10 Ibblur which had been omitted by oversight in the original order passed. For reasons mentioned in the original order a further sum of 1300/- is awarded for this extent. Statutory allowance on this comes to 195/-.

Total 1495/- . This amount will be paid to Muniappa alias Muga Reddy.
